

CGRAIN DEMONSTRATION FOR VISUAL ANALYSIS OF RICE

Cgrain Visual Analyzer for rice milling industry.

Thank you to California Heritage Mills for supporting this event.

Join us at Granzella's Inn for a live demonstration of the Cgrain FGIS approved Rice Analyzer.

Tour at 1:00 pm each day at California Heritage Mill to see the Cgrain Instrument in a Milling Environment.

- **When:** August 20th and 21st, 2024
 - **Where:** Granzella's Inn Banquet Room – Maxwell, CA
 - **Time:** 10:00 – 1:00 pm – Tour at California Heritage Mill at 1:00 pm each day.
 - **Please** feel free to bring medium grain rice for analysis of quality parameters used in the rice industry (both brown and milled).
 - **Whole & Broken Kernels**, but parameters for quality rice parameters such as damaged, chalk, stained, other types, etc. will be shown.
 - **Refreshments** and sandwiches will be provided for those that attend.
-
- Please respond to Terry Allen at terry.allen@tascientificinc.com
 - If possible, no later than **August 16th** with the number of attendees. This helps us plan for the refreshments and deli sandwiches
